

# Protecting Your High Quality Products with Aerosafe Global Shipping Package.

ZERO EXCURSIONS. NO EXCEPTIONS. PROVEN SOLUTION FOR MISSION-CRITICAL, COLD-CHAIN SHIPPING.

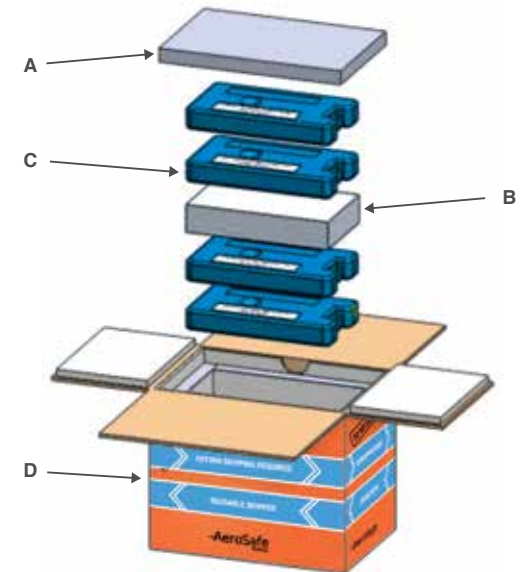

Dear Valued AllCells Customer,

We have switched to a new insulated shipping package manufactured by AeroSafe Global™, and for good reason. It is a high performance package that protects temperature sensitive product more reliably than other insulated options. The use of these packages will ensure that AllCells products remain within a safe temperature range and the highest quality Human Primary Cell products are protected, with the integrity and viability that you have come to expect from AllCells.

## BENEFITS

- **Product Quality:** Shipping temperature range maintained for up to 96 hours after packaging.
- **Sustainable Shipping:** Reusable and recyclable packaging components reduce landfill and disposal within your facility.
  - > limit the waste to the environment and handling within your facility.
- **Integrity:** Proven package integrity - over \$9 billion dollars worth of valuable product shipped in this configuration with no excursions from Aerosafe.

Order Primary Cells online at [www.allcells.com](http://www.allcells.com) through our Amazon-like ordering platform.

PRODUCT DESCRIPTION	
A	VIP Lid
B	Payload Box (10L+4)
C	Large CRT PCM Plate
D	10L-D-CRT-72 Shipper

# RETURN SHIPPING REQUIRED!

## ATTENTION: THIS AEROSAFE BOX NEEDS TO BE RETURNED OR A FEE MAY INCUR!

The AeroSafe shipping package helps protect the integrity of the valuable products within it and has also been designed for reuse. Please assist AllCells and AeroSafe with package recovery by following these simple instructions:

**Replace** all contents after removing samples, to include: VIP lid and PCM plates. Data logger/temp tale must be replaced as well, if this was provided.

**Reseal** the package so that flap #2 is on top, which has the address for AeroSafe.

**Return** the AeroSafe box to your designated UPS pick-up location or shipping department. Within the next 48 hours, UPS will retrieve the box during normal business hours.

**Need assistance? Call 585.760.2830**
